* Full-time teaching staff members belong to the Faculty of Core Research (General Education Division, Humanities Division, Human Science Division, Natural Science Division), and are engaged in university-wide operation of the graduate and undergraduate programs. Because the number of full-time teaching staff members has not been allocated for each faculty or graduate school, the total number of students is divided by the number of full-time teaching staff members.

There are 198 full-time teaching staff members at Ochanomizu University ← (B)

* In cases in which the courses taken cross into other faculties (non-degree students only), they are coordinated by the individual faculty.
